These training sessions will provide information and support for your tree planting projects, and **at least one member of your volunteer group is required to attend ONE of these sessions.** I will cover all of the details of setting up and running a successful tree planting event, and hand out the FREE Comprehensive *Tree Planting Event Training Manual*. A **FREE LUNCH** is included!

Remember, anyone from your volunteer group(s) is welcome to attend. These trainings are open to anyone who is interested in learning more about developing successful tree planting events.
